HIGHLIGHTS & DESCRIPTION

Individual Hunting for Wild Boar, Red Deer...

Overview

If you dream of experiencing hunting for wild boar, red deer, and roe deer in mountainous terrain, then Croatia is worth a visit. We offer a unique opportunity for individual hunting for these species in a fantastic hunting area near Jadovno, close to the coast. The hunt is conducted on a 1:1 basis and includes stalking and hunting from high seats.

The hunting ground spans over 5,928 hectares and offers a diverse landscape, from wooded hills to valleys, making the hunt incredibly exciting. Wild boar hunting primarily takes place at night when they are highly active. It is possible to rent thermal night equipment, which increases the chances of harvesting wild boar. Croatia is home to a healthy population of wild boar, and there is the opportunity to harvest several during a 3-day hunt.

Travel:

Flight from Copenhagen to Zagreb or Zadar. Upon arrival, you will be greeted by our partner's staff in Croatia. From the airport, there will be a transfer to the hunting area, and you will be accommodated in a comfortable hunting lodge where the hosts will take good care of the hunters with full board.

Accommodation:

Accommodation is provided in a hunting lodge based on double rooms, alternatively single rooms depending on the group's size.

About us

i

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
